Yes, that meeting is on. I'll be out from Monday – Thursday, and flexing on Friday.

Can you set something up the following week?

It appears you are at the NRRB all week during the March 19th week. Is that still on? I think you should be here for this.

Diane, DEP is available to meet and to discuss CPG's Interim Remedy for RM 17 the week of March 19th (except Wednesday, March 21).

Also, Will the EPA share NJDEP's comments to CSTAG/USEPA (dated 2/13/2018) on the CPG's Interim Remedy with the Partner Agencies (NOAA, USFWS, USACE) and the CAG?
